							30	31																				29	30												

Date	Meeting/Event
Jan 12-14, 2015	INMM 30th Spent Fuel Seminar **Location** Crystal Gateway Marriott Hotel, Arlington, Virginia **Sponsor** Institute of Nuclear Materials Management (INMM) **Description** Sponsored by the INMM Packaging, Transportation and Disposition Technical Division in cooperation with the U.S. Nuclear Infrastructure Council. The Institute of Nuclear Materials Management (INMM) is the premier professional organization devoted to ensuring the safe, secure, and peaceful stewardship of nuclear materials for the benefit of mankind.
Jan 21, 2015	Nuclear Fuel Supply Forum **Location** The Mayflower Renaissance Hotel, Washington, D.C. **Sponsor** NEI **Contact** Linda Wells **Description** This one-day forum will provide information on policy issues related to the nuclear fuel industry. Speakers from key government agencies and organizations that shape policy will present the latest insights on what lies ahead.

Jan 27-28, 2015

6th Annual Nuclear Power Asia 2015

Location
Kuala Lumpur, Malaysia

Sponsor
Clarion Events

Contact
Shantal Chapman

Description
The premier nuclear power event in Asia bringing together global experience to foster regional new build projects. Nuclear Power Asia is the platform for regulators, nuclear energy agencies and operators within the region; the must attend event for the international and regional stakeholders within the nuclear power industry. Nuclear Power Asia 2014 saw 291 participants from 161 companies and 29 countries in attendance and once again became in the region's premier conference and exhibition for the nuclear power community. If you want to be at the forefront of nuclear developments in Asia, this is one not to be missed event.

Feb 12-13, 2015

2nd Africa Nuclear Industry Congress

Location
Cape Town, South Africa

Sponsor
SZ&W Group

Contact
Rala Wen

Description
The gap between energy supply and demand in Africa is huge. The advantages of nuclear energy have aroused the interest of many countries in this region, typically, South Africa, Egypt, Nigeria and Kenya. Under the theme of "Exploring the Possibility of African Nuclear Energy Future" the conference will explore the continent's nuclear energy future from the perspective of global practices.

Feb 17-18, 2015

11th Annual Platts Nuclear Energy Conference

Location
Mandarin Oriental Hotel, Washington, DC

Sponsor
S&P Global Platts

Contact
Ron Berg

Description
The Platts 11th Annual Nuclear Energy Conference gives you a strategic view of the nuclear industry, in North America and internationally. Meet with a high-level audience including nuclear operators, engineering and construction firms, regulators, policy makers, and new reactor developers. Conveniently located in Washington DC, the conference is ideal for networking. Our attendees tell us that they can learn more from a few days of presentations and conversations at the Platts Nuclear Energy conference than in months of research. It's an experience that you don't want to miss.

Mar 10-12, 2015

NRC Regulatory Information Conference (RIC)

Location

Bethesda North Hotel and Conference Center

Sponsor

U.S. NRC

Description

Co-sponsored by the Office of Nuclear Reactor Regulation and the Office of Nuclear Regulatory Research , the RIC is the largest annual meeting hosted by the NRC and brings together more than 3,000 participants from over 30 countries . The RIC provides opportunities for informal open dialogue and a meaningful exchange of information about significant NRC actions planned or in progress related to the regulation of nuclear power plants and nuclear safety research. The conference also provides opportunities for sharing different perspectives on emerging safety and security issues facing both the domestic and the international nuclear community. The RIC gives participants an opportunity to network with leaders in nuclear safety and regulation .

Mar 29-Apr 1, 2015

Advances in Nuclear Fuel Management V (ANFM 2015)

Location

Omni Hilton Head Oceanfront Resort, Hilton Head Island, SC

Sponsor

ANS

Description

The Advances in Nuclear Fuel Management V is a forum for addressing a broad spectrum of front-end nuclear fuel management activities, within the context of reactor physics and fuel cycle economics. Topics will range from methods development and verification to design and implementation of new in-core fuel products and strategies.

Apr 13-14, 2015

48th JAIF Annual Conference

Location

Tokyo, Japan

Sponsor

Japan Atomic Industrial Forum

Contact

48th-annual@jaif.or.jp

Description

As one of its major activities, JAIF holds its Annual Conference every spring, inviting a broad range of nuclear-related participants from Japan and around the world. This conference is one of the biggest event in the world nuclear industry, drawing some 1,000 specialists/experts in nuclear and other far ranging fields. The Conference participants make presentations and take part in discussions on important matters affecting the development and use of energy and nuclear power. An important mission for JAIF is sorting out the key issues raised at each conference and consolidating its own suggestions toward solutions, including making proposals to the government and identifying challenges for the nuclear industry.

Apr 14-15, 2015

5th Annual Small Modular Reactor Conference

Location
Sheraton Charlotte Hotel, Charlotte, NC

Sponsor
Nuclear Energy Insider

Contact
Siobhan O'Meara

Description
Returning for its fourth year, the Small Modular Reactor Conference is back in its new location of Charlotte. Hinging off the success of 2013's event, bringing together over 400 of the industry's leading names, 2014's meeting promises to be the only place where you can do real business, establish your SMR supply chain and cement your name in nuclears' most important innovation in decades.

Apr 15-16, 2015

3rd Annual Turkey-MENA Nuclear Industry Congress 2015

Location
Istanbul, Turkey

Sponsor
SZ&W Group

Contact
Rala Wen

Description
What's New for 2015? The LARGEST COVERAGE of nuclear or nuclear candidate countries in Turkey-MENA with special focus on Saudi Arabia, Turkey, Jordan and UAE. The CENTRAL CONCERN of Akkuyu NPP, Sinop NPP, Barakah NPP, JNPP, Egyptian 1st NPP and Pakistan NPP. The EXCLUSIVE SITE TOUR to Akkuyu NPP: The first and the only NPP in Turkey be built in BOO model. The UNPRECEDENTED SCALE for booth and exhibition.

Apr 21-22, 2015

India Nuclear New Build Congress 2015

Location
Mumbai, India

Sponsor
SZ&W Group

Contact
Rala Wen

Description
Under the theme of “Pushing forward Indian Nuclear New Build Programme by Tackling Industry Challenges”, the conference specially focuses on law on liability for nuclear damage, indigenous and “Imported” NPPs updates, nuclear finance and insurance, indigenization of supply as well as fuel availability. The congress in Mumbai, will offer you a comprehensive coverage of the nuclear new build market with fresh project updates and various case studies. Meanwhile, for those who are keen to find new investment opportunities or strengthen their presence in the global market, especially the Indian market, this two days congress will provide plenty of opportunities to meet your future partners.

Apr 21-23, 2015

World Nuclear Fuel Cycle

Location

Marriot Prague Hotel, Prague, Czech Republic

Sponsor

NEI & WNA

Description

The objective of WORLD NUCLEAR FUEL CYCLE 2015 Conference is to provide an international forum for the discussion of issues affecting the commercial nuclear fuel cycle, with a focus on enhancing the economic competitiveness of the nuclear fuel cycle and nuclear energy. Leading industry experts will provide information and insights that will help you and your company navigate successfully through the complex and changing fuel marketplace.

Apr 23-24, 2015

Asia Nuclear Business Platform

Location

Hong Kong Convention and Exhibition Centre

Sponsor

Industry Platform

Contact

Zaf Coelho

Description

With a main focus on new build in Asia, the 3rd annual Asia Nuclear Business Platform conference is an extensive programme covering the breadth and depth of the nuclear value chain with all the key stakeholders across the nuclear supply chain present: emerging NPP stakeholders, government, regulators, NSSS vendors, construction companies, law firms and financial firms. Concurrently there will be an exhibition featuring 18 companies showcasing the latest technology, next generation solutions and new to market products. Over 200 key nuclear stakeholders from the region and the international community will be in attendance.

May 5-7, 2015

Used Fuel Management Conference

Location

Orlando, FL

Sponsor

NEI

Contact

Linda Wells

Description

Nuclear plant fuel managers; dry fuel storage project managers; used fuel cask designers; utility licensing and compliance personnel; used fuel storage, transportation, and disposal consultants; architect engineers; pool-to-pad services companies; hardware suppliers; government agency managers, technical experts, contractors, stakeholders and international experts responsible for used nuclear fuel management issues. Sessions in the following areas are planned: Dry cask storage Cumulative Burden Reduction and Licensing Process Improvements Management of emerging and ongoing used fuel storage and transportation technical and regulatory issues Waste Confidence and Extended Storage U.S. used fuel management policy Consolidated interim storage, Disposal and transportation of used fuel Dry Storage Operating Experience

May 12-14, 2015

North American Young Generation in Nuclear

Location
Marriott Marquis Washington, Washington, DC

Sponsor
NEI

Contact
Linda Wells

Description
The 2015 North American Young Generation in Nuclear (NAYGN) annual workshop will be held May 12-13, prior to the Nuclear Energy Assembly, in Washington, DC.

May 12-14, 2015

Nuclear Energy Assembly

Location
Marriott Marquis Washington, Washington, DC

Sponsor
NEI

Contact
Linda Wells

Description
NEI's 62nd Annual Industry Conference and Supplier Expo: Nuclear Energy Assembly is the annual conference of the nuclear technologies industry. The conference draws hundreds of senior executives and policymakers from around the world. Join us May 12-14, 2015 in Washington, D.C.!

May 21-22, 2015

11th Annual China Nuclear Energy Congress

Location
Beijing, China

Sponsor
CDMC

Contact
Seven Yang

Description
China Nuclear Energy Congress is the regional annual conference which assembles leaders from all stakeholder groups in nuclear energy. With over 300 attendees, CNEC has already grown into a leading world nuclear event; and also attracting other emerging nuclear energy market leaders to participate.

Jun 1-3, 2015

ATOMEXPO 2015

Location
Gostiny Dvor, Moscos, Russia

Sponsor
ROSATOM

Contact
Galina Lashmanova

Description
ATOMEXPO International Forum is a major exhibition and business platform for conducting meetings and negotiations between the worldwide leaders of the nuclear power industry. The Forum will include an international specialized exhibition and congress to be attended by the representatives of international, governmental and non-profit organizations, Russian and foreign companies; as well as leading nuclear industry experts.

Jun 7-9, 2015

WNFM 42nd Annual Meeting

Location
Le Méridien Etoile, Paris, France

Sponsor
World Nuclear Fuel Market

Jun 9-10, 2015

AusIMM 2015 International Uranium Conference 2012

Location
Adelaide Convention Centre, Adelaide, Australia

Sponsor
AusIMM

Contact
Stephanie Addamo

Description
The AusIMM International Uranium Conference 2015 is now in its tenth consecutive year, and has cemented itself as the leading technical uranium conference in Australia. Our continued emphasis on content driven programs and securing the leading experts from industry, government and academia will ensure that 2015 will again produce an excellent technical program. After three years away the Uranium conference returns to Adelaide, South Australia.

Jun 9-11, 2015

2nd MENA Nuclear Energy Summit 2015

Location
Istanbul, Turkey

Sponsor
Neoventure Corp.

Contact
Kevin Zhu

Description
MENA Nuclear Energy Summit 2015 will get together 150+ delegates and speakers to discuss hottest issues facing the region's nuclear power market. Main sessions of the conference will include master planning, legal and regulatory framework, safety and security issues, R&D for nuclear reactors, technical challenges and solutions, and etc. The conference will be premium networking platform for government authorities, utility operators, engineering contractors, reactor technology venders, equipment suppliers, consultants, and others to share knowledge and exchange ideas to support NPP developments in MENA countries.

Jun 9-10, 2015

NRC Fuel Cycle Information Exchange (FCIX)

Location
NRC Auditorium, Rockville, MD

Sponsor
The U.S. Nuclear Regulatory Commission

Contact
Leira Cuadrado

Description
The FCIX is hosted by the Office of Nuclear Material Safety and Safeguards (NMSS), Division of Fuel Cycle Safety, Safeguards, and Environmental Review (FCSE). This conference provides a forum for NRC staff, industry representatives, licensees, and other stakeholders to discuss regulatory issues of mutual interest related to the nuclear fuel cycle, including: licensing, certification and inspection of nuclear fuel facilities for uranium conversion and enrichment; nuclear fuel fabrication and deconversion of depleted uranium tails.

Jun 15-19, 2015

International Conference on Management of Spent Fuel

Location
Vienna, Austria

Sponsor
IAEA

Contact
Karen Morrison

Description
The purpose of the conference is to highlight the importance of an integrated long term approach to the management of spent fuel from power reactors. The conference will discuss progress achieved in connection with the back end of the nuclear fuel cycle as well as associated challenges, and will cover, in particular, the impact of decisions made at the front end, technological developments, the regulatory framework and safety aspects. The conference will also allow for the evaluation of advances in the management of spent fuel from power reactors since the inception of the IAEA conferences on this topic, as well as for the identification of pending issues and anticipated future challenges. On this basis, the outcomes of the conference will contribute to defining future programmes of the IAEA in the field of managing spent fuel from power reactors.

Jun 23-25, 2015

UxC Utility Nuclear Fuel Procurement Seminar

Location
W Buckhead, Atlanta, GA

Sponsor
UxC, LLC

Contact
Eric Webb

Description
Utility Fuel Buyers must formulate a nuclear fuel procurement strategy that results in the assured supply of consistently low cost fuel. The UxC Nuclear Fuel Procurement Seminar is designed to assist you in achieving this goal by providing an advanced understanding of factors affecting market price formation, supply source availability and supplier motivation, RFQ and contract practices, and methods to establish an effective procurement strategy.

Jul 12-15, 2015

U.S. Women in Nuclear (WIN) Conference

Location
Hilton Austin, Austin, TX

Sponsor
NEI

Contact
Arika Johnson

Description
The U.S.WIN 2014conference is ideal for individuals working in any aspect of nuclear-and radiation-related fields throughout the United States. The conference provides perspectives from national authorities on key issues and provides ample professional development opportunities for attendees. U.S.Women in Nuclear is the premier network of nearly 1,400 women who work in nuclear- and radiation-related fields around the country. To find out more about U.S.WIN, please visit our Web site at www.winus.org

Jul 12-16, 2015

INMM 56th Annual Meeting

Location
Renaissance Esmeralda Indian Wells, California USA

Sponsor
Institute of Nuclear Materials Management

Contact
inmm@inmm.org

Jul 15, 2015

Nuclear Fuel Supply Forum

Location
The Mandarin Oriental Hotel, Washington, D.C.

Sponsor
NEI

Contact
Linda Wells

Description
This one-day forum will provide information on policy issues related to the nuclear fuel industry. Speakers from key government agencies and organizations that shape policy will present the latest insights on what lies ahead.

Sep 2-3, 2015

Decommissioning of Nuclear Reactors and Materials Conference North America

Location
Trump International Beach Resort, Miami

Sponsor
IBC Energy

Description
Decommissioning insights from all stages of the process.

Sep 8-11, 2015

Annual Radwaste Summit

Location
JW Marriott Las Vegas Resort & Spa at Summerlin

Sponsor
Exchange Monitor

Description
The Exchange Monitor RadWaste Summit provides a unique means for communicating and discussing emerging issues and developments in the radioactive waste industry. This year, we expect a heightened interest in the topics and discussions that will be covered. The 2015 RadWaste Summit will feature discussions on the full range of issues facing the radioactive waste marketplace, including the overall Department of Energy waste mission, changes in spent fuel and nuclear waste policy, upcoming Nuclear Regulatory Commission low-level waste regulations, and updates on the U.S. Army Corps of Engineers cleanup at FUSRAP sites.

Sep 9-11, 2015

World Nuclear Association Symposium 2015

Location

Park Plaza Westminster Bridge; London, United Kingdom

Sponsor

World Nuclear Association

Description

As WNA membership has grown to encompass almost every enterprise in the global nuclear industry, the annual WNA Symposium has established itself as the industry's premier international meeting, attracting an attendance of over 700 leaders and specialists from more than 30 countries. The Symposium is also drawing increased attention from non-industry professionals who recognize nuclear power's central importance in securing our world's energy and environmental future.

Oct 1-2, 2015

4th Annual Nuclear Energy Development Summit

Location

Istanbul, Turkey

Sponsor

NOPPEN

Contact

Mr. Bora Erel

Description

This Summit featured the most prominent industry leaders and government officials from across the region and provided an informative and inspiring discussions pertaining to region's current needs and their ambitious future. The Summit also provided a platform for the international community to come together and discover new strategies and technologies that can assist in building a state-of-the-art nuclear energy infrastructure to accommodate the domestic and regional electricity market.

Oct 4-7, 2015

International Uranium Fuel Seminar

Location

Park Hyatt Beaver Creek, Beaver Creek, CO

Sponsor

NEI

Contact

Arika Johnson

Description

Uranium Fuel Seminar 2015 will examine the changing fuel market, explore current and future needs and provide a forum to examine challenges facing the fuel industry. Speakers from domestic and foreign industry and government will provide perspectives on these market and policy issues.

Oct 5-6, 2015

Nuclear Decommissioning and Used Fuel Strategy Summit

Location

Charlotte, NC

Sponsor

Nuclear Energy Insider

Contact

Siobhan O'Meara

Description

The US' largest decommissioning and used fuel summit is back for its second year running! Once again this will be the premier meeting point for global nuclear executives to discuss the most pressing decommissioning and spent fuel challenges and network with 300+ of their peers.

Discount

UXC200

Oct 13-14, 2015

Middle East Nuclear Power Briefing 2015

Location
Abu Dhabi, UAE

Sponsor
Strategic Communications

Contact
Christina Logan

Description
Covering all aspects of the nuclear power industry, Middle East Nuclear Power Briefing 2015 will bring together regional key players and stakeholders including dignitaries, industry specialists and international experts to discuss, debate and offer valuable insight into the current nuclear power market, the road ahead, the challenges faced and opportunities available. The Middle East Nuclear Power Briefing 2015 through its panel of industry experts from government, electricity generating authorities, oil companies, technology providers, consultants, developers and investors, aims to bring you an intensive and comprehensive 2 day agenda that will examine the key issues shaping the development of nuclear energy in the Middle East and beyond.

Nov 8-23, 2015

2015 ANS Winter Meeting and Nuclear Technology Expo

Location
Marriott Wardman Park, Washington, DC

Sponsor
ANS

Description
Expand your network. Exchange ideas. Explore opportunities. There's no place quite like ANS National Meetings for being in your element. We are excited to be back at the Wardman Park Marriott! Make sure to join us in Washington D.C. to revisit with your committees, refresh your involvement, and reconnect with colleagues, mentors and old friends. We've made networking easy with mingling opportunities like the Expo, the President's Reception, Storm the Hill, technical tours...and much more! We look forward to seeing you in D.C.!

Nov 18-19, 2015

NRC Spent Fuel Regulatory Conference

Location
NRC Commissioner Hearing Room

Sponsor
U.S. NRC

Contact
Haile Lindsay

Description
This conference provides an opportunity for NRC staff, industry representatives, licensees, and other stakeholders to openly discuss regulatory issues of mutual interest, as they relate to spent fuel storage licensing, change control threshold, spent fuel storage and transportation research activities, stakeholder perspectives, inspection and operation experiences (OpE), technical issues, transportation certification, and consolidated storage.
