

# Christhian Rengifo

## Senior Consultant, International Nuclear Policy

In August, 2008, Christian Rengifo joined the UxC staff as a Research Analyst. He now serves as an independent consultant to the company in the area of International Nuclear Policy. At UxC, Mr. Rengifo contributes to the company's coverage of the uranium enrichment market, nuclear fuel fabrication market, and nuclear energy developments in Africa, China, Europe, the Middle East, and South America. Moreover, he analyses policy changes in the European and Chinese electricity markets that may impact the nuclear energy sector.

Mr. Rengifo holds a Magister degree in Political Science from the University of Vienna in Austria, a Certificate in Nonproliferation Studies from the Monterey Institute of International Studies in California, and a MSc on Renewable Energy Systems from the Technical University of Vienna. Mr. Rengifo, who is originally from Peru, is fluent in Spanish, German, and English. Mr. Rengifo is stationed in Vienna.
