**Contact**

Jamie Williams

**Description**

NEI's Annual Industry Conference and Supplier Expo: Nuclear Energy Assembly (NEA) is the annual conference of the nuclear technologies industry that brings together industry leaders from all levels. The conference draws hundreds of senior executives, NAYGN members, and policymakers from around the world.

May 31- Jun 2, 2020 **WNFM 47th Annual Meeting** **CANCELED****Location**

Doubletree by Hilton, Montreal, Canada

**Sponsor**

World Nuclear Fuel Market

**Contact**

Jeannie Klinetob

**Description**

WNFM organizes and hosts a well-attended annual meeting that provides a forum for the discussion of issues of interest to its members. The Board of Governors spends a considerable amount of time and effort planning and refining the annual meeting theme, and Board Members are personally involved in scheduling the annual meeting speakers as well as chairing the individual meeting sessions. This personal ownership approach assures a meeting that addresses industry issues that nuclear fuel cycle participants want and need to hear.

Jun 22- 25, 2020 **UxC Nuclear Fuel Training Seminar - Atlanta** **CANCELED****Location**

InterContinental Buckhead, Atlanta, GA

**Sponsor**

UxC, LLC

**Contact**

Eric Webb

**Description**

Following over a decade of successful seminars focused on utility nuclear fuel procurement, UxC created its new Nuclear Fuel Training Seminar in 2016. All participants in the nuclear fuel markets require up-to-date knowledge and unbiased insights in order to formulate effective strategies either for procurement, sales efforts, investment activities, or other related objectives. This seminar is designed to assist you in achieving these goals by providing an advanced understanding of factors affecting nuclear fuel demand, market price formation, supply source availability, supplier motivations, and utility contracting practices.
