

Apr 13- 15, 2021	World Nuclear Fuel Cycle Location Virtual/Online Sponsor NEI & WNA Contact Nima Ashkeboussi Description <p>The annual World Nuclear Fuel Cycle (WNFC) conference is co-organised by Nuclear Energy Institute and World Nuclear Association. It is a top-level international forum that connects companies with cutting-edge information and emerging trends which affect the nuclear industry. Leading industry experts will provide information and insights that will help you and your company navigate successfully through the complex and changing fuel marketplace. WNFC also provides many opportunities to network with high-level industry executives and features technical visits.</p>
Jun 1-2, 2021	Nuclear Power Plants Expo & Summit Location Virtual/Online Sponsor NPPES Contact Koray Tuncer Description <p>Nuclear Power Plants Expo & Summit (NPPES), 1-2 June is organized as a virtual format. NPPES has been organized since 2014. We are proud to announce Rolls Royce, Glenair, Tractabel Engie as the newest sponsors of Virtual NPPES 2021, 1-2 June. NEI is the international media partner and the exhibitor, also. During NPPES 2021, 1-2 June, the exhibitors will meet the procurement department of AKKUYU NPP (Rosatom, Titan2 ve ICTAS representatives), South Korea Pavilion, German Pavilion and Spain Pavilion and hosted buyers. It is our pleasure to invite your company to the biggest nuclear industry platform in the Middle East and Africa sides. We have limited participation models for nuclear industry players during NPPES 2021.</p>
Jun 8-9, 2021	WNFM 47th Annual Meeting Location Virtual/Online Sponsor World Nuclear Fuel Market Contact Rachel Little Description <p>WNFM organizes and hosts a well-attended annual meeting that provides a forum for the discussion of issues of interest to its members. The Board of Governors spends a considerable amount of time and effort planning and refining the annual meeting theme, and Board Members are personally involved in scheduling the annual meeting speakers as well as chairing the individual meeting sessions. This personal ownership approach assures a meeting that addresses industry issues that nuclear fuel cycle participants want and need to hear. This year's meeting will be held virtually in response to the COVID-19 pandemic.</p>

Jul 20, 2021 **Nuclear Fuel Supply Forum**

Contact

Kaitlin Rekola

Description

The 2021 U.S. Women in Nuclear conference is ideal for individuals working in any aspect of nuclear energy, science, and technology throughout the United States. The conference provides perspectives from national authorities on key issues, as well as ample professional development opportunities for attendees. About U.S. WIN: U.S. Women in Nuclear is the premier network of more than 8,000 women and men who work in nuclear- and radiation-related fields around the country. To find out more about U.S. WIN, please visit the group's Web site at www.winus.org.

Aug 3-4, 2021 **International Uranium Digital Conference**

Location

Virtual/Online

Sponsor

AusIMM

Description

AusIMM's International Uranium Conference returns for its 16th consecutive year in 2021. After a highly successful digital conference in 2020, experiencing our largest attendance in over five years, we are excited to host the 2021 conference once again as an online experience. Attendees can access industry-leading keynotes, a high-quality technical program, on-demand presentations, interactive discussion groups and virtual booths showcasing the latest innovations in the uranium industry, from anywhere around the world. Uranium 2021 will offer unparalleled opportunities to collaborate with the world's most knowledgeable uranium and nuclear experts on the current state and the turnaround of the global uranium industry. Presentations will explore the growing global demand for more new uranium production and the opportunities to re-commence standby projects and explore new projects.

Sep 8-10, 2021 **World Nuclear Association Symposium 2021**

Location

Sponsor

World Nuclear Association

Contact

Ana Rodriguez

Description

Initially scheduled to take place in London, UK, World Nuclear Association Symposium will now take place virtually on 8-10 September 2021. Top nuclear industry leaders, experts and executives will come together to share information and experience that will elevate nuclear energy as a key contributor in the transition to a clean and sustainable world.

Sep 15-17, 2021 **Canadian Nuclear Association Conference and Trade Show 2021**

Location

Virtual

Sponsor

Canadian Nuclear Association

Contact

Jessica Clifford

Description

The Canadian Nuclear Association's (CNA) 2021 Conference and Trade Show will be shifted from its planned location in Ottawa, Canada to a three-day virtual event. The conference seeks to bring speakers together to highlight the indispensable role Canada's nuclear industry will play in decarbonizing global economies through clean electrification.

Oct 4-5, 2021 **ATOMEXPO 2021**

Location

Main Media Centre, Sochi, Russia

Sponsor

ROSATOM

Contact

Dmitrii Shabinskii

Description

ATOMEXPO International Forum is the main event of the global nuclear industry. It is the largest exhibition and business platform for discussing the current state of the nuclear industry and setting future trends, and has been held annually since 2009. The Forum is attended by executives from the key companies working in the global nuclear industry, government agencies, international and non-commercial organizations, and leading experts.

Oct 10-13, 2021 UxC Nuclear Fuel Training Seminar - Vienna

Location

Hilton Vienna Plaza, Vienna, Austria

Sponsor

UxC, LLC

Contact

Eric Webb

Description

Following over a decade of successful seminars focused on utility nuclear fuel procurement, UxC created its new Nuclear Fuel Training Seminar in 2016. All participants in the nuclear fuel markets require up-to-date knowledge and unbiased insights in order to formulate effective strategies either for procurement, sales efforts, investment activities, or other related objectives. This seminar is designed to assist you in achieving these goals by providing an advanced understanding of factors affecting nuclear fuel demand, market price formation, supply source availability, supplier motivations, and utility contracting practices.

Oct 24-28, 2021 TopFuel 2021

Location

Palacio De La Magdalena, Santander, Spain

Sponsor

European Nuclear Society

Description

TopFuel brings together leading specialists in the field from around the world. For three days they share advances in nuclear fuel management technology in discussions and presentations. Participants can then use the findings of the latest cutting-edge research in their daily professional lives to design, manufacture, operate, and dispose of the high performance nuclear fuels of today and tomorrow. Due to travel restrictions, TopFuel 2021 is offering participants the ability to also participate remotely.
