

Ux Weekly

The Leading Source For Timely Market Information For 37 Years

UxC, LLC (UxC) publishes one of the nuclear fuel industry's best known newsletters, the **Ux Weekly**. Issued every Monday, the Ux Weekly has been in publication for more than 37 years. The *Ux Weekly* is the primary publication where the weekly Ux U₃O₈ Price along with the month-end Ux North American (NA) and European (EU) Conversion Prices, NA UF₆ Price, NA and EU UF₆ Values, SWU Prices, and EUP Values for both spot and term are published. It contains thought-provoking commentary, in-depth analytical discussions, summaries of current news events, and tracks both spot and long-term market activity. The *Ux Weekly* is available by email and online.
